Conditions Governing Enlistment, Promotion,
Re-Muster, Transfer and Discharge.

The following information has been conveyed to the applicant, whose signature is appended :—

1. On enlistment, airmen become subject to the Air Force Act and Air Force Regulations as amended from time to time and Orders promulgated under the authority of that Act and Regulations.

2. Enlistment will be for the duration of the war and for a period of not more than twelve months thereafter.

3. Enlistment is for service anywhere, and no guarantee can be given as to location at any time, but the wishes of personnel will be considered as far as the exigencies of the Service permit. Airmen must be prepared to serve overseas or in Australia.

4. Promotion to higher ranks, re-muster to other trades, and transfer to other units are governed by the following factors :—

- (a) the requirements of the Service ;
- (b) the existence of vacancies ;
- (c) the special qualifications of an airman for holding any position other than that to which he has been appointed.

5. Promotion, re-muster, or transfer is always by selection and cannot be claimed as a right by any airman.

6. Re-muster to another trade is subject to the applicant having passed the prescribed trade test, and subject to vacancies occurring in approved establishments.

7. The passing of an examination for promotion, or a trade test for re-muster, does not entitle the airman to immediate promotion or re-muster, as promotion is always governed by the conditions set out in paragraphs 4, 5, and 6 above.

8. An airman may be discharged at any time for any of the reasons laid down in Air Force Regulations.

9. An airman's fare is paid from his place of residence to his place of enlistment. A married man, who desires to bring his wife and children to his place of enlistment may do so at his own expense.

10. If an airman after enlistment desires to change the location of his household, the cost of removal of furniture from his place of residence to his place of enlistment or to any place of subsequent posting must be borne by the airman. No portion of this expense is payable by the Department.

11. Airmen receive free medical and prescribed free dental treatment. Their wives and children will not receive free medical or dental attention.

12. The rates of pay for airmen enlisted for the period mentioned in paragraph 2 above have been explained to me.

13. I thoroughly understand and accept the conditions set out above.

Details of Experience.

For five years prior to my enlistment in the R.A.A.F. I conducted my own cycle & motor business and had extensive experience in business management and bookkeeping.

My knowledge of Internal Combustion Engines has been further increased by the experience gained in the R.A.A.F. and I can also claim a good knowledge of woodworking and cabinet making.

I have always been good at figures and have passed with honours in Mathematics in the Junior Public Examination.

CONDITIONS OF SERVICE OVERSEAS IN EMPIRE AIR TRAINING SCHEME
(INFILTRATED UNITS) ARE AS FOLLOWS:

- (i) All ground personnel posted overseas under the Empire Air Training Scheme (i.e. infiltration scheme), will, while overseas draw R.A.F. pay and allowances.
- (ii) Where R.A.A.F. rates of active pay and allowances are higher, cash drawings must not exceed the cash drawing rates payable to members of equivalent rank and status under R.A.F. conditions; and
- (iii) Where R.A.F. rates are higher, cash drawings must not exceed such an amount as will leave intact the member's normal rate of deferred pay and actual allotments and dependants allowances (if any) payable in Australia.
- (iv) Dependants' allowances, however, will be paid to dependants in Australia in accordance with the R.A.A.F. rates and conditions.
- (v) Pensions will be payable in accordance with R.A.F. conditions.

NOTE: The effect of the above conditions is to ensure that members serving overseas under the above scheme receive the same pay and allowances as are at present received by them while serving in Australia. The full pay and allowances may not be drawn by members abroad, (see paras. (ii) and (iii) above), the difference being either allotted by them to their bank accounts or any person in Australia or credited to their deferred pay accounts in Australia.

2. The reason for the above conditions of service abroad under Empire Air Training Scheme is to ensure that the drawing rates of pay of R.A.A.F. and R.A.F. ground personnel of similar rank and status, shall be uniform.

3. Comparative rates of pay refer to the rates of duration personnel only.

CERTIFIED that I have read, understand, and accept the above conditions of overseas service.

Dear Sir,

It has occurred to me that, owing to my present address being in the country, I may not be called up for training as early as would be the case were I still in the city area. But I would like to draw your attention to the fact that I am merely working up here while waiting for instructions to report for training and would esteem it a favour if you could bear this in mind.

Being very keen to commence I am naturally looking forward to such notice to report for training.

By reference to my application
you will see that my home
address is 98 Herbert St, Slenton Park.
and that I was approved for
training as a mechanic on
Friday Feb. 23rd.

early call
